## Donate Now to the OCC Scholarship Fund

It is not too late to donate to the annual Olney Chamber of Commerce Scholarship Fund. Donations can be made by visiting the Chamber's website at [www.olneymd.org](http://www.olneymd.org) clicking chamber events, and then make a donation. Each year the Chamber typically awards three \$1000 scholarships to local high school seniors. We are hoping to do that once again this year. Scholarships will be awarded to the students at the Chamber's annual Awards and Installation dinner in May. Please consider donating to this worthwhile cause.

It is also not too late to recommend this program to any high school seniors that you know. This year there are two applications. One is designed for students with learning disabilities. The Chamber hopes to encourage all students to apply for the scholarships. The scholarship application can also be found on the website. Deadline for applications is April 24.
