NNO Planning Underway

The recent 90 degree temperatures are a sure sign that the Annual National Night Out celebration is fast approaching. National Night Out is an evening when local communities across the nation draw attention to police awareness and crime prevention. This year's NNO celebration will take place on **Tuesday, August 4** from 5:00-8:30 p.m. in the Olney Town Center.

The Olney Chamber of Commerce partners with the Montgomery County Police, the MD National Capital Park Police, the Sandy Spring Volunteer Fire Department, and Longwood Community Center to pull this great community event together for the greater Olney community. The event features displays from the local police and fire departments, health and safety information from participating business, children's activities, great food, good music, and lots of fun.

The event is a fundraiser for the local police and fire departments. Information on how to support or participate in this community event will be mailed to Chamber members and is also available on the Chamber's website at www.olneymd.org.

Be sure to mark your calendar now-AUGUST 4-so you don't miss this special event.
